

Discreet Series

to harmonise with dining & hotel reception areas

INSECT-O-CUTOR®

The D33 ◀

The Model D33 is a sleek, attractive, effective fly killer. It is designed for use in sensitive areas such as hotel lobbies and dining rooms. Silent in operation and indistinguishable from a wall light. Thanks to the unique soft green Synergetic lamps, the D33's efficiency at controlling flying insect pests is unrivalled.
