

# Select Series

for medium large retailers and kitchens

# INSECT-O-CUTOR®

## The SE22 ◀

High performance combined with smooth lines. This model is ideal for all food preparation areas and especially for situations where appearance is important.

The newly designed guard allows greater light output. This together with an integral central 'V' shaped deflector significantly increases performance, covering areas up to 100 square metres.

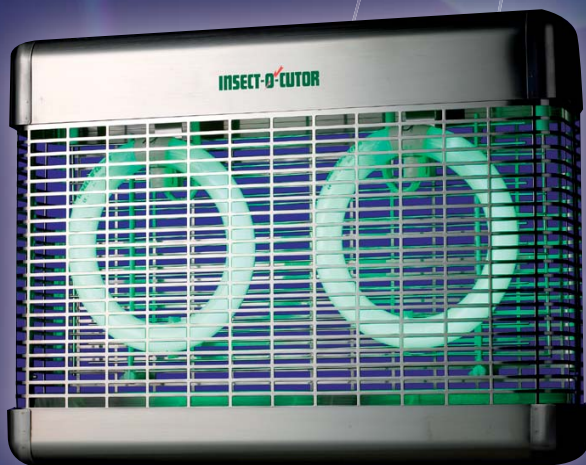

Area of coverage	100m <sup>2</sup>
Lamp(s)	1 x 22 Watt Synergetic insect attractant lamp (1 x ref: T21G)
Mounting	Wall mounted, ceiling suspended
Power consumption	38 Watt
Dimensions	385 x 140d x 430h mm
Weight	7.5kg
International protection rating	IP30
Finish	White polyester coated zintec steel or high-grade stainless steel

## ▶ The SE44

All the advantages of the SE22 and with twice the power. Stunning good looks have not been sacrificed for the extra performance, which increases area coverage to 200 square metres. Large collection tray to ensure all insects are contained within the unit.

Can be wall mounted, ceiling suspended or free standing (back plates included for wall mounting).

Area of coverage	200m <sup>2</sup>
Lamp(s)	2 x 22 Watt Synergetic insect attractant lamp (2 x ref: T21G)
Mounting	Wall mounted, ceiling suspended
Power consumption	58 Watt
Dimensions	600 x 140d x 430h mm
Weight	10.5kg
International protection rating	IP30
Finish	White polyester coated zintec steel or high-grade stainless steel
