

P+L Systems™

# SPLASHPROOF™

## Compact, high powered IPX4 flykiller

Developed specifically for harsh environments, **Splashproof™** provides a high quality solution to insect control where IPX4 protection is required. Incorporating high quality components and build quality, **Splashproof™** is constructed from 304 grade stainless steel and is available as a 30 or 80W unit.

### Features

#### IPX4 certified

IPX4 tested for hose cleaning

#### Shatterproof tubes as standard

Teflon® FEP coated shatterproof tubes for hazardous and sensitive areas

#### High quality components

Reliable high specification 3750V transformer

#### High efficacy UV tubes

Proven to be more effective and longer lasting than standard UV tubes

#### Robust construction

Strong UV stable polycarbonate and 304 grade stainless steel construction

#### Flexible and easy installation

Wall, ceiling or desk mounting

#### Robust removable killing grid

Easily removable large killing grid for easy cleaning

#### Independent certification

Independently tested and certified to RoHS and relevant European standards

#### Complete peace of mind

Three year guarantee (excluding tubes)

SP30

SP80

### Specification:

Part No.	Model	Dimensions(mm)	Coverage	Tubes	Weight
ZSP003	SP30	550x260x140	80m <sup>2</sup>	2x15W	5.5Kg
ZSP005	SP80	700x260x140	220m <sup>2</sup>	2x40W	6.5Kg
